## ETHIOPIA

**Ethiopia ... a land of extra ordinary !**

Ethiopia, formerly called Abyssinia, is a land rich in culture and tradition. Extensive historic sites, wonders and splendors, stunning landscapes and fascinating attractions will surprise any visitor. It is a unique country that has much to offer to please any taste: history, culture, wildlife, nature and so on. It is a land of great antiquity, with a culture and traditions stretching back more than 3,000 Years.

Travel to Ethiopia and Be 7 Years Younger !!

Ethiopia also presents one of the most stunning natural environments in Africa. Because of the size of the country, and the great variety of its landscapes and climate, Ethiopia represents all that Africa has to offer.
